

HOW TO ORDER AN E-PRESCRIPTION

VIA THE MEDICOVER ONLINE PATIENT PORTAL

1.

Log in to the Medicover Online Patient Portal.
If you don't have a password for the portal you can collect it at a Medicover Centre reception desk.

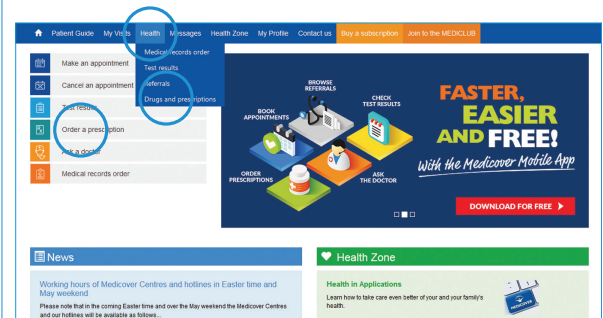

Gain access to additional features when you collect your password for the Medicover OnLine Patient Portal

2.

From the "Health" tab choose "Drugs and Prescriptions" or choose "Order a prescription" form the side menu.

3.

Select the medication for which you need an e-Prescription and check the "Order Prescription" box.
You can order an e-Prescription for medicine taken for continued treatment.

8.

Fill the e-prescription at a pharmacy of your choice.

With an e-Prescription you don't have to have a paper version. Just give the pharmacists your PESEL No. and the 4-digit access code found on the e-Prescription.

**GIVE YOUR PESEL NO.
and the 4-DIGIT ACCESS CODE
on the e-prescription**

If the patient uses a passport and does not have a PESEL number, he/she will have to pick up an e-Prescription printout at a Medcover Centre reception desk.
