These functions are available as soon as you log in – you do not have to look for them in the page menu.

How do you schedule a consultation now?

After selecting a specialisation, you will see:

1. Available forms of quick consultations to choose such as:

Telephone Medical Advice
Do you have disturbing symptoms?
Call to a GP for medical advice.

● Available

500 900 510

In order **to get medical** advice from a primary care doctor please call **+48 500 900 510**.

Chat with a doctor
Monday to Friday: 08:00 - 20:00.
Saturday, Sunday: 08:00-16:00.

● Available

Start

It is a **chatroom** where you can, for instance, send a photo of a skin lesion you are worried about.

Book Telephone Advice
Internal medicine doctor - telephone...
23-02-2023, 07:30

Book Other dates

Telephone consultation arranged for a specific time.

Last Minute Appointment
Appointments for today have been booked.

Book Other for today

New feature:
last minute appointments at Medicover
– easy access to appointments that are still available on this day.

2. Consultations you prefer to schedule:

- Telephone Advice
- Face to face appointment

Depending on your medical need, you will receive guidance from us that will direct you either to a telephone consultation or to a visit at our centre.

I want to schedule a consultation

Primary care

Infections
If you experience symptoms such as sore throat, cough, runny nose, elevated temperature.

Choose type of consultation

Other health problems
If you have other alarming symptoms or need to consult your treatment.

Choose type of consultation →

Other vaccinations
If you want to get vaccinated or have questions schedule a Telephone Advice or book a face to face appointment.

Choose type of consultation

Prevention
